

"I enjoy Kiwanis for the opportunity to meet, interact with and develop relationships with other community leaders, but most importantly to be involved with the many Kiwanis projects and scholarships that benefit kids in our community."

~Eric Rosekrans,
CB Richard Elliis/Martin

Kiwanis as a family tradition!

"I joined Kiwanis to follow in the footsteps of my father, a member since 1948. I grew up with great memories of Christmas Tree Sales, Chicken BBQ's and other events to help raise funds for needy children in the community. I am now passing on this opportunity to my children to continue this worthy family tradition."

~Rhonda Hodgkins

Kiwanis Club of East Lansing, MI

“Joining Kiwanis has given me the opportunity to be involved in service projects that benefit children within our community. I have been fortunate to meet and work with a wonderful group of individuals who look for ways to make a difference in our childrens future. Because I have small children of my own, I find comfort knowing

Kiwanis Clubs are working towards projects that directly benefit and recognize children to help develop them into leaders of tomorrow.”

~Kim Garnaat, Branch Manager, MSUFCU

“My first Kiwanis experience⁴ began in 1961 in the Detroit Area, where I eventually became president in 1971. My work at Michigan State took me away for 25 years, but in 1997 East Lansing became my second club. Now, as partially retired senior, I value Kiwanis’ wide-ranging community service and friendship opportunities more than ever. Our commitment to the development and nurturance of children, young

people and the developmentally disabled defines “service” in the very best sense imaginable.”

~Robert Ward, Professor Emeritus
